### PROGRAMME AND GUIDE

#### HOW TO REGISTER

Decide what courses of study you wish to take and refer to the schedules, to avoid conflicts. The superintendent and instructors will gladly assist you in this. When you have selected your subjects get a blank Registration Card and fill it out with (1) your full name, (2) your home address (giving county and state), (3) where you expect to teach next year, (4) of what college you are a graduate, (5) your Knoxville address while attending Summer School. On the back of this card write the courses of study you wish to pursue in the Summer School. Present this card, thus filled out, to the Registrar and get an Admission Card, to be countersigned by the Business Manager (office in Science Hall, first floor) upon payment of registration fee. When countersigned by the Business Manager this card will admit you to all general lectures and public entertainments and to the classes named on the back of it. *Without the signature of the Business Manager this Card is valueless.*

After Thursday, June 25, no one will be admitted to any classes or lectures without the Admission Card. Register as early as possible.

**This Card is Not Transferable.**

#### DON'T ATTEMPT TOO MUCH

Students are urged not to attempt to do too much. It is much better to do a little well than exhaust your energies on a great many subjects. Remember this is your vacation and that you need strength for next year's work. You are entitled to four class periods a day in addition to the general lectures and physical culture. Those taking more than this will pay \$2 for each additional subject.

#### VISITORS' PERMITS

Students will be expected to attend only the classes in which they are registered, but a limited number of Visitor's Permits will be granted by the Superintendent each day. These permits will specify the classes to which those holding them are to be admitted and will not admit to any other classes.

#### BOARD AT UNIVERSITY DINING HALL

Table board may be had in Barbara Blount Hall, Barbara Blount Annex, the Phi Gamma Delta Hall and Annex at \$21 for the session, payable in advance. Meal tickets good for twenty-one meals will be sold for \$4.00, single meal tickets for 25 cents. All board bills must be paid to the Business Manager (office in Science Hall, first floor).

Hours for Meals: Breakfast 6:30 to 8:00; Dinner 12:30 to 2:00; Supper 6:30 to 7:45.

LUNCHES, QUICK MEALS, ICES, etc. may be had at reasonable rates at the restaurant on the east side of South College.

#### REQUESTS AND COMPLAINTS

The officers of the school desire to do all they can for the comfort and convenience of the faculty and students and any requests or complaints will receive prompt and careful consideration. Written communications for the Superintendent should be placed in the box at the entrance to Jefferson Hall.

#### CHURCH SERVICES

The churches of the city cordially invite members of the Summer School to all their services, morning and evening. Bible classes will be held on the University grounds on Sunday morning from 8:30 to 9:30, and there will be preaching in Jefferson Hall each Sunday evening from 8 to 9.

## EXPLANATION OF SCHEDULES

In the "schedule arranged by subjects" the general topic is printed in large capitals, the specific subject in italics; the Roman numerals refer to sub-divisions in the Announcement in the Summer School edition of the University Record, the figures indicate the hour. The dates are inclusive. When no dates are given the subject continues through the six weeks of the session. Unless otherwise indicated classes meet daily five days in the week.

In the "schedule arranged according to hours" the names of buildings and rooms are printed in large capitals, the subject in italics. The numerals following the topic refer to the page and division in the Announcement; thus, "Education I, 2 (31)" means division I, sub-division 2 of the general topic Education, page 31 in the Announcement. The remarks above as to dates and days apply here.

The first schedule may be used as an index to the second; thus, in the line on MINOR PROPHETS under "BIBLE, LITERATURE OF," "11-12. Curry Hall" locates the subject in the second schedule, where references are given to the statement in the Announcement.

The schedule has been arranged with care and can not be changed. Where the demand is sufficient to justify it and the instructor is willing one or more additional sections may be formed. These must be referred to the Superintendent.

## ASSEMBLIES AND GENERAL LECTURES

At 12:10 every day students and members of the faculty will assemble in Jefferson Hall for twenty minutes for devotional exercises, announcements, brief addresses, and music.

From 5 to 6 p. m. and from 8 to 9 p. m. daily, except Saturdays and Sundays, general lectures will be given in Jefferson Hall by prominent educators, statesmen, and leaders of thought. Many of the evening lectures will be illustrated with stereopticon projections. Lectures will be announced from time to time on bulletin boards and otherwise.

### SUNDAY EVENING SERMONS

June 28—Edgar Young Mullins, D. D., LL. D., President Southern Baptist Theological Seminary.

July 5—A. J. McKelway, D. D., Editor of the Presbyterian Standard.

July 12—Thomas Frank Gailor, D. D., S. T. D., Bishop of Tennessee.

July 19—James Isaac Vance, D. D., Pastor of North Reformed Church, Newark, N. J.

July 26—Emory E. Hoss, D. D., Bishop of Methodist Episcopal Church, South.

On July 19 at 9 a. m., Dr. A. L. Phillips, Sunday School Secretary of the Southern Presbyterian Church, will address the Bible classes and others on "Methods of Sunday School Work."
